TRAVEL TO FINLAND WITH A FAST FLIGHT CONNECTION OR BY A CAR VIA THE BALTIC SEA

Finland is situated in the northernmost corner of Europe but is easy to reach through the Helsinki or Lappeenranta airports.

Helsinki is located 260 km from Imatra, and Lappeenranta is located only 35 km from Imatra.

No flight? No problem. Helsinki can also be reached with several ferry connections from Germany, Estonia and Sweden via the Baltic Sea.

SAIMAA CYCLE TOUR, JULY 7-8 2023, IMATRA, FINLAND

THE ULTIMATE MIDNIGHT SUN CYCLING EXPERIENCE

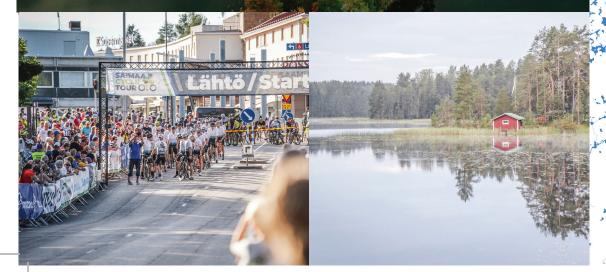

SUN AND THE BEAUTY OF THE FINNISH LAKELAND.

Saimaa Cycle Tour's 300 kilometer route runs through the world's most beautiful lake landscapes. Enjoy the magical light of the midnight sun and experience the nightless night.

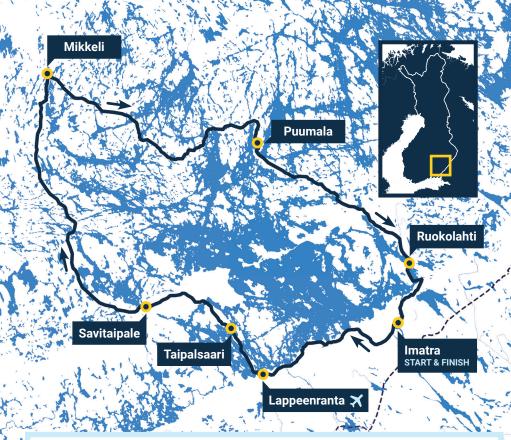

The Saimaa Cycle Tour is not a competition and it is open to cycling enthusiasts of all levels who want to challenge themselves for this unique cycling experience. The entire route is ridden along asphalted roads. There are multiple service points along the route where drinks, snacks and warm meals are offered.

Also shorter 38 km and 85 km routes are available.

The Saimaa lakeland area is a blue labyrinth of thousands of lakes and islands, interspersed with forests and ridges. The Saimaa area is full of beautiful scenery and roads which enables us to build an amazing route for the Saimaa Cycle Tour.
