

VELÖ®

Multi

The Ultimate Family eBike

VELOE MULTI SHIMANO

Veloe Multi was developed for families that combine worklife with an active social life. Whether you live in the city or the countryside, Veloe Multi takes you where you need to be at a maximum speed of 25 km/h.

From daily commuting to a lovely ride with picnic on the countryside, Veloe Multi is prepared for every activity.

The centrally mounted light motor **Shimano Steps E6100** can assist your ride for 180 km using a fast-charging 504 kwhli-ion battery. It delivers a **smooth, efficient and natural ride feeling**.

Veloe Multi can carry **2 children** in the rear and 1 in the front.

Rather using Multi for cargo? Have a look at our accessories at veloe.eu.
