Orders must be received via B2B, indicating the complete item code for correct processing.

Acceptance of the order is subject to the “subject to approval by the seller” clause. Orders, changes or additions must be submitted online: <https://b2b.mandelli.net>

Orders will be processed subject to availability at the time with no guarantee of settlement. In the event of momentary unavailability of some products ordered, they will be sent to the customer as soon as possible.

Claims for missing or damaged goods during transport will not be accepted if the carrier's delivery note does not state the type of dispute or reserve for verification. The goods travel at the buyer's risk even if sold free port.

Placing an order implies the customer's acceptance, without reservation, of the general terms and conditions of sale.

PRICES

Prices are those in effect on the date of the order, are not binding, and may be updated, subject to prior notice, in case of changes of costs. Prices are for delivery of goods ex works, packaging excluded, unless otherwise agreed in advance.

PAYMENTS

Payments shall be made to our tax residence, in the form and manner stipulated in the order acceptance. Non-fulfilment, even partial, of the terms of payment by the purchaser entitles us to suspend all pending sales orders. Interest on late payments will be charged at the current bank rate plus expenses.

WARRANTY

Mandelli Srl guarantees that the products supplied are properly manufactured and functional. The warranty is automatically void in the event of tampering, incorrect assembly or use in racing competitions. The guarantee does not cover damage resulting from direct or indirect consequences of malfunctioning of the parts supplied and does not go beyond credit or replacement of the products found to be faulty. Mandelli Srl accepts no liability, nor does it recognise any compensation for damage occurring during the use of the products, even if they are found to be faulty.

RETURNS

Any form of complaint, requests for product returns for defects or wrong deliveries must be received no later than 8 (eight) days after receipt of the material.

The return document must contain all delivery details. (Date • Delivery note number • Item code • Reason for return • Return authorisation number). Returns not previously authorised or incomplete will not be accepted. Unauthorised returns will be returned to the sender at the recipient's charge.

Returns shall also not bear any type of customer identification label, including those relating to sales prices, shall not have any security tags and shall be intact and clean in all their parts and adequately packed for transport. Any processing due to removal of labels, security tags or other will be charged to the customer.

All directions necessary for the formulation of the return are in any case visible in the 'RETURNS' section of the B2B website, which can be consulted in the reserved area. TO MAKE RETURNS FOLLOW THE SPECIFIC DIRECTIONS.
