

PRODUCT CATALOGUE

SIMPLIFYING BIKE MAINTENANCE

To enjoy every cycling moment even more, Bike7 has selected a range of products to help you save time on maintenance. These products are developed by professionals for use by the passionate cyclist. Experience your sport even more intensely... Use Bike7!

ROAD

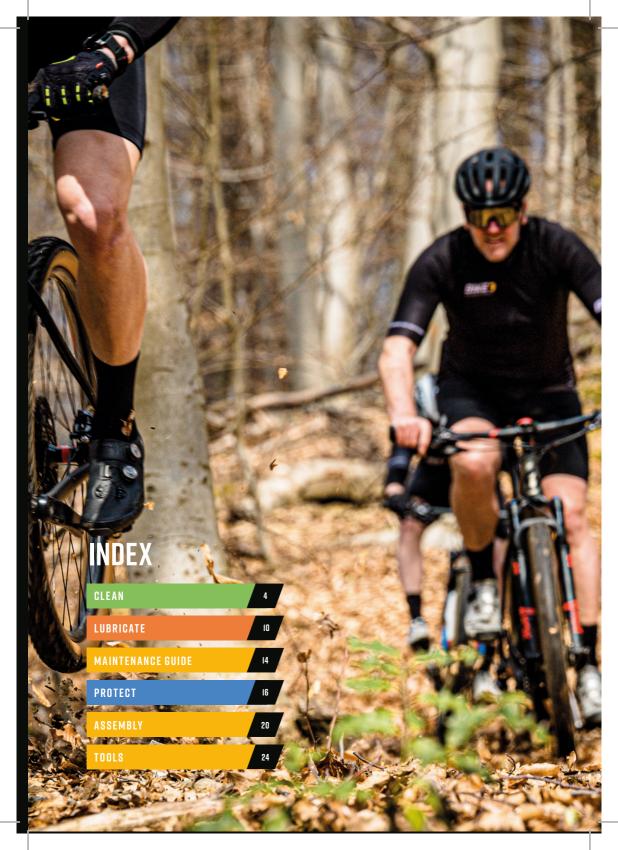

Whether riding at high speed, covering long distances or anything in between, you need a bike that can handle any road condition. Bike7 products are specially designed to keep your road bike in optimal condition and maintain peak performance.

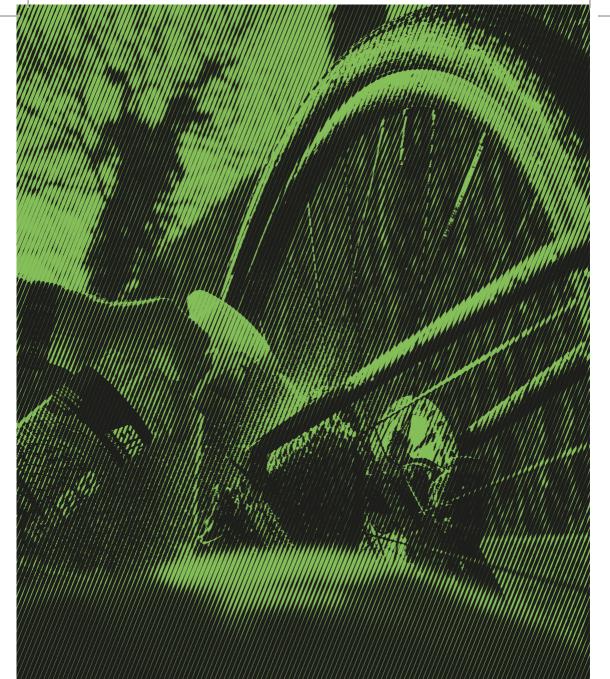

OFFROAD

Mountain biking and gravel riding are fun and challenging ways to explore nature. But they also expose your bike to dirt, mud and wear and tear. Bike7 products are made to protect your bike against these elements and ensure simple and fast maintenance.

E-BIKE

E-bikes are a fantastic way to enjoy cycling with less effort and more comfort. But they also require special care and attention due to the battery and electrical parts. Bike7 products have been developed to make sure your e-bike continues to operate smoothly and safely for a long time.

GLEAN

CLEAN

POWERFUL BIKE CLEANER

- ✓ Fast
- Easy to use
- Safe on all surfaces

Easily removes sand, sweat, mud, drink residue and dirt from all types of bikes. With regular cleaning, Bike7 Clean also prevents premature wear of derailleurs, chains, pivot points, forks etc.

Can be used safely on all materials, carbon, aluminum and titanium frames whether matt or glossy paint, plastics, rubber etc.

977330924 - Clean - 500ml 977150924 - Clean - 1L 977160924 - Clean - 5L 977165924 - Clean - 25L

WASH & FINISH

CONCENTRATED BIKE SHAMPOO

- Cleans, shines and protects in one easy step
- Cleans, shines and protects in one easy step
- Safe for disc brakes

Wash & Finish's specific pH-neutral formula not only makes it an ideal cleaner to wash your bike in complete safety, but also protects it with a vegetable wax with high-gloss effect.

977470924 - Wash & Finish - 500ml

CHAIN CLEAN

POWERFUL CHAIN & TRANSMISSION CLEANER

- Fast and safe
- For chains, derailleurs, cogs and chainrings

Quick and effective cleaner that leaves chains and transmissions perfectly clean no matter how heavy the dirt gets. Chain Clean removes all types of oil and wax without harming the paintwork and there is no need to remove the wheels.

977340924 - Chain Clean - 500ml 977270924 - Chain Clean - 1L 977280924 - Chain Clean - 5L

977170924 - Degrease - 500ml 977192924 - Degrease - 2L

DEGREASE

MULTIFUNCTIONAL DEGREASER

- Safe on all materials
- For transmissions and other parts

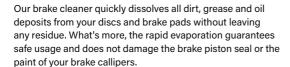

Multi-purpose degreaser, ideal for removing used oil, grease, handlebar glue, sticker residue and tar.

Degrease is safe to use on all materials, carbon and aluminum frames, bearing seals, transmissions and wheels.

BRAKE CLEANER

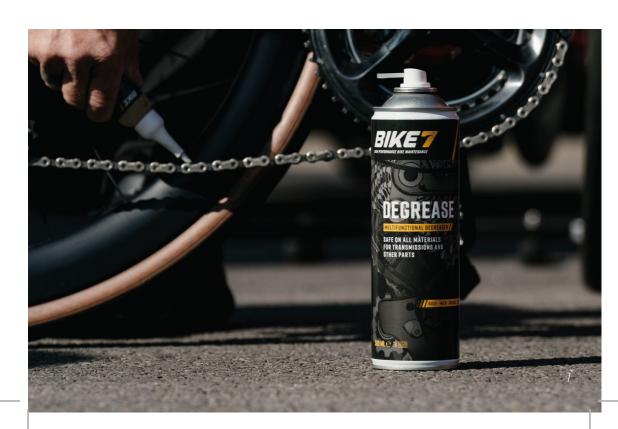

OPTIMAL BRAKING POWER

- Removes dirt, oil and dust from brake pads, calipers, discs
- Leaves no residue
- Prevents squeaking brakes

977140924 - Brake Cleaner - 500ml

977482924 - Fast Clean - 500ml

FAST CLEAN

POWERFUL BIKE FOAM CLEANER

- Easy to use (no water needed)
- ✓ Safe on all surfaces
- Stripe free result
- ✓ Also for helmets, glasses, shoes, ...

Effectively removes contamination such as sand, dust, dried drinks, sweat, finger marks and grease.

977450924 - Fast Wipes - 70pcs

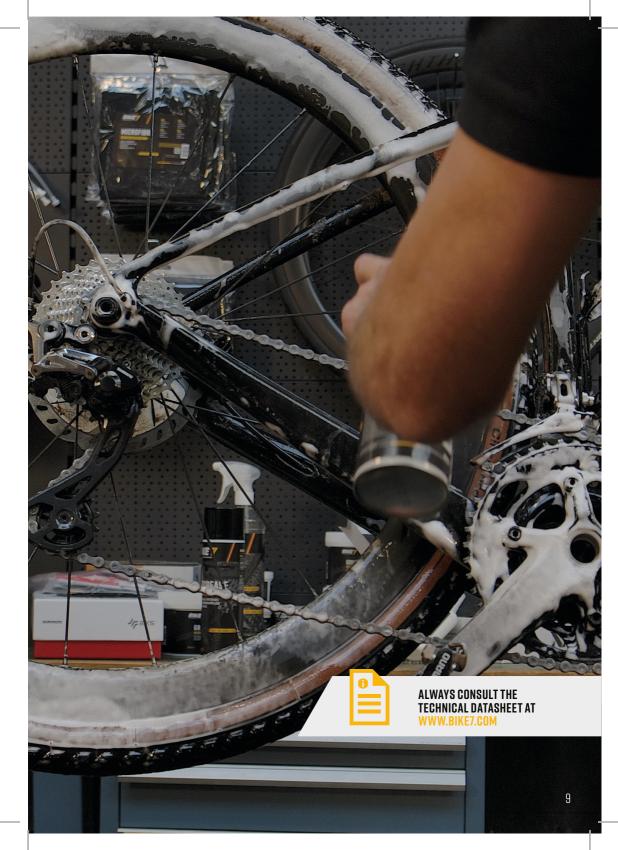

FAST WIPES

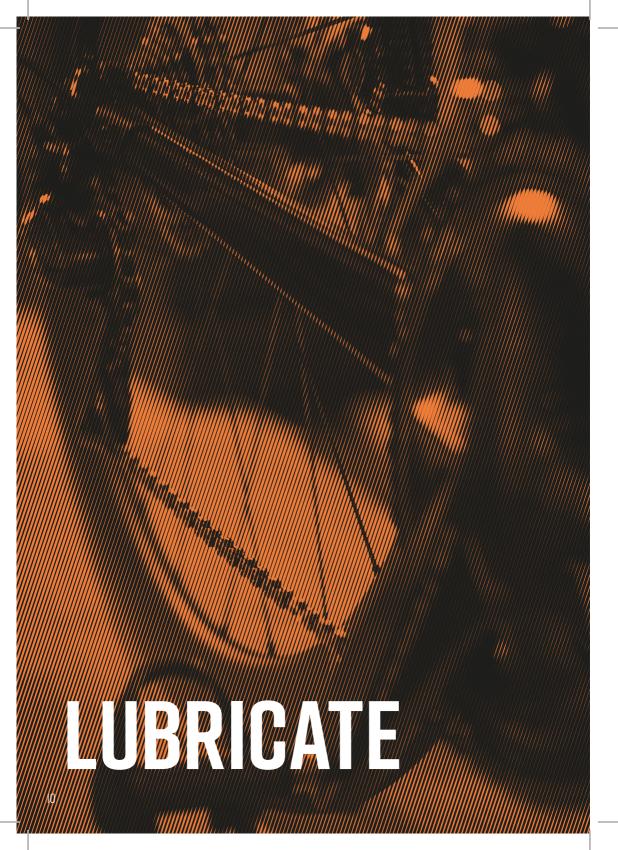

WATER FREE CLEANING AND DEGREASING WIPES

- Removes dirt and lubricants
- Catches dirt
- ✓ Safe for bikes, components and drivetrains

These wipes are perfect for cleaning your entire bike without a drop of water. Easy to use and ideal for use on the move, these wipes prevent the dispersion of harmful substances in the soil and the waste of water.

Effective and safe on all surfaces and materials such as carbon, aluminium, titanium, lacquer and synthetic materials.

LUBRICATE DRY

ULTRA-THIN CHAIN LUBRICANT

- Low friction
- Race conditions
- For dry and dusty weather

Lubricate is a transparent lubricant with PTFE to guarantee long-term lubrication. Lubricate Dry is an ultra-thin lubricant with a high penetrating power for deep lubrication. The Dry version is less tacky than Lubricate Wet.

977010924 - Lubricate Dry - 500ml

LUBRICATE WET

LONG DISTANCE CHAIN LUBRICANT

- Rust protection
- ✓ Water resistant
- Extreme conditions

Lubricate is a transparent lubricant with PTFE to eliminate prolonged friction. Lubricate Wet is an adhesive lubricant with a high penetrating capacity for deep lubrication. Even after hosing down, the product will continue to have an effect. The only way to remove it is by using Degrease to be completely free of lubricant again.

977020924 - Lubricate Wet - 500ml

977430924 - Lubricate Oil - 150ml 977431924 - Lubricate Oil - 20ml

LUBRICATE OIL

ALL CONDITIONS CHAIN OIL

- ✓ Non-sticky
- Protects against rust
- Easy to clean

Reduces friction for smoother shifting and longer transmission life. Protects the chain from corrosion and can be used in all weather conditions.

977230924 - Pro Wax - 150ml 977240924 - Pro Wax - 500ml (refill)

PRO WAX

HIGH EFFICIENCY CHAIN WAX

- Long lasting
- Water resistant
- Watt saving

All-season wax suitable for use on bikes for all types of riding. Optimal fluidity for lubrication in the chain keeps it and the transmission clean. Pro-Wax lubricates the inside of the chain for many miles with minimal maintenance.

BIKE + ELECTRICAL PARTS

PROTECT

TOTAL BIKE PROTECTION

- Refreshes paintwork
- ✓ Water and dirt repellent
- Micro lubrication for components
- Glossy and matt finish friendly

Removes finger marks and revives paintwork, reduces the adhesion of dirt making cleaning easier while also removing residual moisture after washing.

Lubricates and protects against corrosion of the derailleur rollers and axles, fork shafts, levers, pedals and pivots to guarantee perfect functioning and does not attract dust.

977110924 - Protect - 500ml

E-PROTECT

TOTAL E-BIKE PROTECTION

- Component lubricant
- Electrical protection

Dissolves dirt and tar from frames and wheels etc. Lubricates and protects fork shafts, derailleur rollers, axles and locks ... from corrosion.

Protects electrical connections, battery contacts etc. against corrosion and moisture while optimising conductivity

977210924 - E-Protect - 100ml 977370924 - E-Protect - 500ml

977132924 - Belt Care - 200ml

BELT CARE

FOR SMOOTH AND SILENT RIDES

- ✓ Nourishes, protects and extends the life of belts
- Prevents squeaking and does not attract dirt or dust

Keeps the belt flexible and prevents tearing and squeaking. Does not attract dirt, dust or grease and is safe for use on all bicycle and electric bicycle belts.

977400924 - Pro Seal - 125ml 977410924 - Pro Seal - 1L 977420924 - Pro Seal - 5I

PRO SEAL

INSTANT TYRE SEALANT

- Tubeless and tubeless ready
- Fixes punctures up to 8 mm
- Compatible with CO2 cartridges
- ✓ Contains natural latex: non-corrosive, non-toxic and safe

Pro Seal is a latex emulsion that quickly fixes punctures in all tubeless tyres, whether they are mountain- or racing tyres. Pro Seal is applied through the valve or poured directly into the partially dismantled tyre and provides effective immediate repair.

PRO COAT

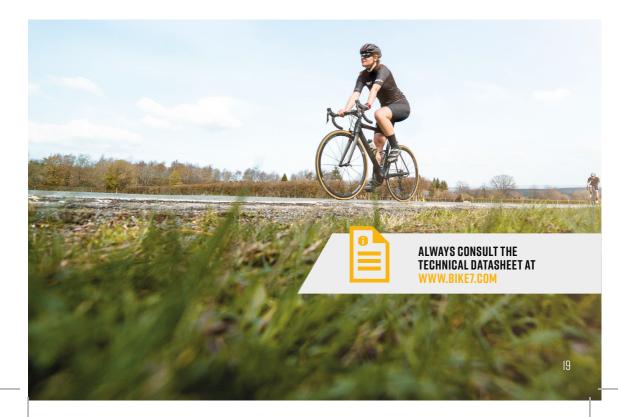

PROTECTIVE NANOCOATING

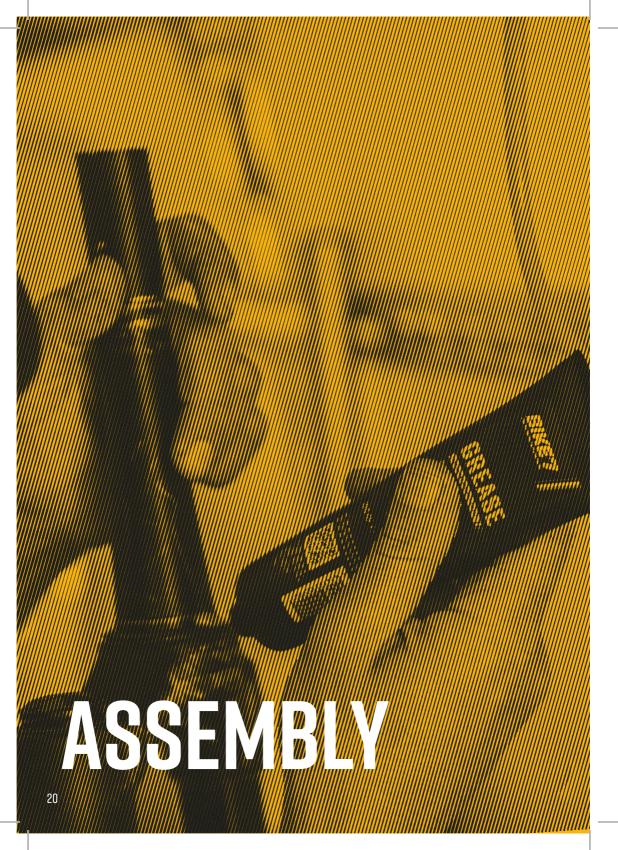

- Makes cleaning easier
- ✓ For glossy and matt frames
- Safe for disc brakes

Pro Coat uses nanotechnology and puts a protective layer on your bike and all its parts. That protective layer will significantly reduce dirt adhesion, make washing considerably easier and reduce the risk of scratches. Sensitive materials will also be better protected from fading due to UV exposure.

977490924 - Pro Coat - 400ml

DEBLOCK

RUST DISSOLVING PENETRATING OIL

- With graphite & molybdenum sulphide
- Unblocks rusted parts
- Strong and fast penetrating

Badly-maintained bicycles require another approach. You often have to deal with rusted bolts and components. For this you need powerful products that make disassembly easier. Deblock is a rust-dissolving penetrating oil that deals with the worst kind or dirt.

977200924 - Deblock - 500ml

GREASE

LUBRICATING ASSEMBLY GREASE

- High pressure and water resistant
- Anti-wear additives
- Rust prevention

Bike7 grease is resistant to high pressure and water for optimal lubrication of moving parts like bottom bracket, headsets, ...

977130924 - Grease - 500gr 977290924 - Grease - 100gr

977080924 - Mount - 120gr

MOUNT

PROTECTIVE ASSEMBLY GREASE

- Anti-seizing
- Maintains tightening torque
- Acid, salt and water resistant

Mount simplifies the assembly and disassembly of parts. it contains repairing properties so also offers excellent protection against corrosion and wear.

977070924 - Mount Carbon - 100gr

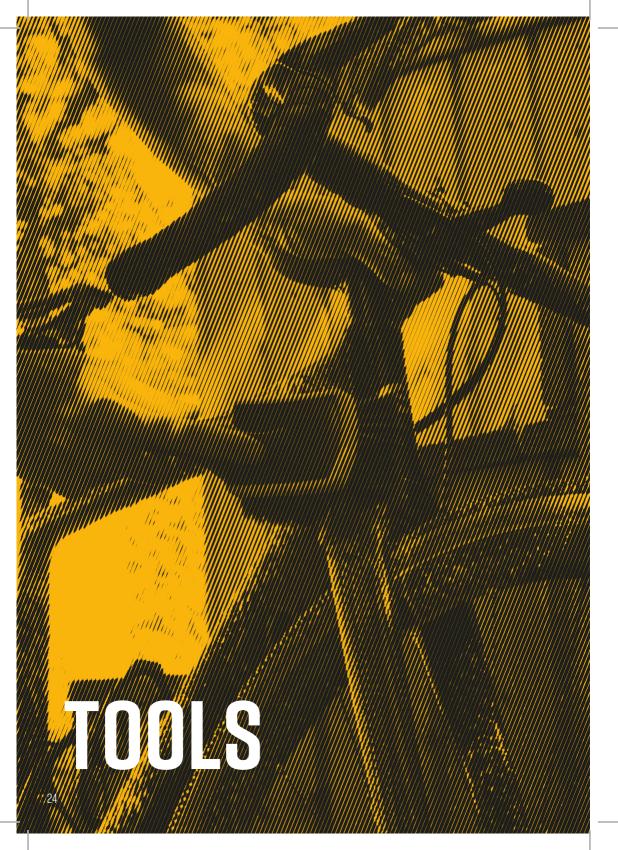

MOUNT CARBON

ASSEMBLY PASTE FOR CARBON PARTS

Increases grip between carbon parts

provides a better grip when assembling carbon parts, like the seatpost, steering tube, etc. Stir and apply so that all contact points are lubricated and assemble using the prescribed tightening torque.

BRUSH KIT

BRUSH KIT FOR DEEP CLEANING

- Sturdy, wear-resistant brushes
- With ergonomic handle
- Easy to clean

977440490 - Bike7 Brush Kit

MICROFIBRE

ULTRA-SOFT MICROFIBRE CLOTH

- Highly absorbent
- For dry and wet use
- Resistant
- ✓ Washable at 90°C

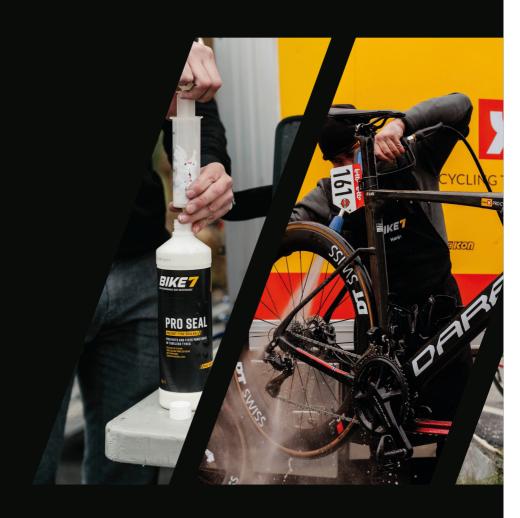

977250924 - Microfibre 3pcs

RASTA DOUBLE-SIDED MICROFIBRE WASH GLOVE

977300490 - Rasta Bike7
