Interest on late payments will be charged at the current bank rate plus expenses.

Mandelli Srl guarantees that the products supplied are properly manufactured and functional. The warranty is automatically void in the event of tampering, incorrect assembly or use in racing competitions. The guarantee does not cover damage resulting from direct or indirect consequences of malfunctioning of the parts supplied and does not go beyond credit or replacement of the products found to be faulty. Mandelli Srl accepts no liability, nor does it recognise any compensation for damage occurring during the use of the products, even if they are found to be faulty.
